## STYLE, LOCATION, LIGHT

11 Jarman Place is a beautiful and bright three bedroom, two and one-half bath home with a two-car garage situated in a neighborhood of tree lined streets and manicured lawns. The light and bright style is evident the moment you enter - the two-story foyer, with soaring Palladian-style window leads to the living room, formal dining room and kitchen. The spacious living/family room opens directly to the kitchen and is anchored by a beautiful fieldstone, wood burning fireplace and triple windows offering views and light. Granite countertops, coordinating subway tile backsplash, a dining area with a triple box bay window and stainless-steel appliances – double door refrigerator, five-burner gas range, microwave and dishwasher – combine to create an ideal chef's kitchen and gathering space. Three bedrooms are on the second floor, including a spacious and private en suite master with a double closet space, two generously sized guest bedrooms and full bath. There is a finished basement with recreation room and office, offering an additional level of living space. Enjoy relaxing or entertaining on the beautifully designed paver stone terrace, with mature trees and plantings providing privacy. Schools, shopping, restaurants and access to highways are in close proximity. Neighborhood highlights include North Branch Park, where residents enjoy the July 4th fireworks, the Chess Club, YMCA, and the Readington Hot Air Balloon festival. Home Depot and Wegmans are minutes away. New roof!
