Fun Plans

- Take a walk in your new neighborhood with your parents to see where the kids your age live. Introduce yourself.

- For decorating your room, get ideas from books and magazines.

Photo/Phone Number Exchange

- Before you move, have a get-together. Purchase a disposable camera & take pictures of the old house, neighbors & friends for a photo album/scrapbook keepsake so you can share these memories with your new friends, or when you plan a visit to the old neighborhood.
- Exchange phone numbers, addresses, e-mail addresses too! Pick up some special paper or a packet of fun cards to stay in touch.
